# Welcome!

Dear Ringette Families and Athletes,

It is with great pleasure that I welcome all teams, coaching staff, minor officials, parents and fans to this year's **Lonnie Krahn Classic**. Thank you for your dedication and for providing these athletes with the opportunity to grow and learn within the sport of ringette. It is sure to be an action packed weekend filled with truly impressive skills and competition. We trust that through good sportsmanship and competitive play, this tournament will be fun and memorable for all. I also want to extend a **Special thanks to our Refs!**

The Lonnie Krahn Classic is an annual event which started 27 years ago but due to COVID we missed a year – hence the 26th annual. The tournament is proudly hosted by Calgary East (Cal-East) Ringette Association Alumni. It was originally named the PSA Spring Classic but was later renamed to honor a man that did so much for our Ringette Association. A fun trivia fact - the medal that will be awarded to the Gold and Silver finalists was designed by Lonnie himself.

It goes without saying how much we all appreciate the efforts of a small but dedicated group of volunteers for the countless hours over the last several months in bringing this event to reality. I hope you enjoy what they have planned for this weekend. Further, I would like to thank all our Sponsors for their generous donations and the staff at the Don Hartman Sportsplex for their continuing support.

In closing, I would like to say to those traveling from out of town, from across Alberta, and beyond, we hope you enjoy your stay in Calgary. To all the athletes, we hope you have a fantastic weekend and best of luck in all your games!

Warmest Regards,

Mary Pelland

## Lonnie Krahn

### Just another volunteer?

Ask the iconic Lonnie Krahn about how he got involved with volunteering for ringette, and he will tell you he just put his hand up at the wrong time. His daughter was only 5 years old and they needed someone to schedule the ice.

*Lonnie with his grandson Dayton. (2018)*

11 years later (2001), Lonnie steers his team to his first Provincial Championship. An impressive resume already includes four City Championships, Properties Ringette Association President for the last five years, Past President four years previous and coached the last nine years.

Spring of 1996, Lonnie and the Properties Ringette Association started the Properties Spring Classic Ringette Tournament in their new home, Don Hartman Northeast Sportsplex, and on the 10th anniversary, in the 2004-05 season the name was changed to the Lonnie Krahn Spring Classic

September of 2005 Governor General Norm Kwong presented Lonnie the Alberta Centennial Award. A well-deserved award as Lonnie had by this time coached ringette for 18 years and coached fastball for 14 years and tirelessly served on various boards and committees.

In the spring of 2012, Lonnie watched his grandson play his first of two years in ringette. It was a very emotional moment for Lonnie. This would also be the last year Lonnie would be actively organizing the Spring Classic and the following season, the tournament was moved to the fall and is now known as the Lonnie Krahn Classic.

In 2001 Lonnie was asked why he does it. He replies: "For the love of the game and the participants."

# Sam Jacks

A man called Sam Jacks invented ringette.  
 Jacks came to Canada from Scotland in 1920.  
 He became a sports director in North Bay, Ontario.  
 There were many outdoor skating rinks in the small town.  
 The boys were active, but girls did not play hockey.  
 Jacks wanted girls to play a game on ice, too.  
 So, he invented a skating game for girls.  
 Ringette is born.  
 At first, the girls cut off the ends of old hockey sticks.  
 They used a hollow rubber ring instead of a hockey puck.  
 Slowly Jacks made rules.  
 He called the game "ringette".

In 1963 in Ontario, girls played the first ringette game.  
 Now players use a straight stick with a special tip.  
 They pass and shoot the ring to score points or goals.  
 A safe team sport.  
 Ringette is a very fast game.  
 A player must pass the ring across a blue line  
 to move it down the ice.  
 This teaches teamwork.  
 Ringette is a non-contact sport.  
 No one can tackle another player.  
 A player wears pads, gloves and a helmet.  
 All players learn about safety on the ice.
